J. M. M. M.AMENDMENT

Dear Sir:

The Office Action of May 24, 2000 has been received and carefully studied. In response, the following amendment and remarks are made.

Please add the following claims:

Claim 47 (New) A method of treating glaucoma and ocular hypertension which comprises topically administering to the affected eye a therapeutically effective amount of fluprostenol.

Claim 48 (New) A topical ophthalmic composition for the treatment of glaucoma and ocular hypertension in primates, comprising a therapeutically effective amount of fluprostenol.
